RE: Scot John Tomaszewski

mur 6913

To General Counsel,

We filed all forms as required from the information received from Scot John Tomaszewski. The Post General Report was filed late due to getting the information from Mr. Tomaszewski. We have no knowledge of any Court Order in relation to Mr. Tomaszewski or the future ex-Mrs. Tomaszewski, nor were we informed of any limitations on who he could hire for his campaign expenses. We were made aware that Mr. Tomaszewski was in the middle of an unfriendly divorce. We did not think this would impact his rights to run for office. His expenses are still outstanding, nothing has been done to either pay them or turn them into contributions. From what Mr. Tomaszewski told us, he was the original owner of S.T Electric Inc, being the licensed electrician, but gifted his wife 51% of the stock. Since this divorce was initiated, she has removed him from the company in her capacity of majority stockholder. As to his limousine, it was in working condition, but he had disconnected the battery when he was not driving it prior to his campaign. Once he started the campaign, he connected the battery and the limousine was driven around the area. Please do not hesitate to contact us if you need any other information.

Sincerely,

Paul Verna
